

## **summary of Information for Winter 2022. As of 12/30/21**

The number of online sections continue to increase as we monitor the student demand for online classes. When we started registration, the number of online sections was around 51%.

<b>Winter 2022</b>	<b>Online</b>	<b>Hybrid</b>	<b>Face-to- Face</b>
<b>Enrollment</b>	70%	3%	27%
<b>Sections</b>	55%	4%	41%

The deans and associate deans continue to monitor enrollment and transition classes as needed when appropriate (if SPOT certified faculty are available, etc.) based on the student demand and enrollment trends.
