

Nursing Program Applicants

Academic Year	21/22	20/21	19/20	18/19
Total number of applicants	1060	192	352	256
Applicants screened (total point cut off 70-72 on average)	238	111	212	214
Qualified applicants	220	86	182	188
Students accepted into Nursing Program	112	57	116	113

Each semester we admit 60 students into the Nursing Program. The number of accepted students per year is usually less than 120 to allow for readmits.

In 20/21, we did not have an application period for Fall 2021 due to COVID. We continued our Spring 2020 students in the Fall and did not admit a cohort.

We are not sure why our applicants increased for 21/22. It could be that we are accepting on-line science courses. Prior to COVID we did not accept them.
