

Emergency Management Quarterly Report

Sayeed Wadud-Emergency and Environmental Manager
Duetta Wasson – Director of Risk and Safety Management

Accomplishments:

1. Completed universal and hazard waste removal. There was found to be a boneyard of items such as light bulbs, exit signs, various unlabeled chemical items. A temporary designated area for universal and hazard waste has been identified south-west of the warehouse. We are partnering with Ken Bohan to determine a permanent location
2. Development of Universal waste program, going to health and safety committee for review, upon approval implementation and training will follow.
3. Emergency management training 101- has been completed for managers. This training is now scheduled in POD as a monthly training option for staff. Current dates scheduled are as follows:
 - a. In Person – November 5, 2021 from 10:00 am to 11:30 am
December 7, 2021 @ 1:00 pm to 2:30 pm
January 19, 2022 @ 2:00 to 3:00 pm
February 9, 2022 @ 10:30 to 12:00 pm
 - b. Zoom – November 10, 2021 @ 9:30 am
December 15, 2021 @ 1:00 pm
February 3, 2022 @ 9:00 am
4. Emergency Management online trainings now available in POD:
 - a. Active Shooter on Campus (non-managers)
 - b. Active Shooter on Campus (Managers)
 - c. Crisis Response and Recovery
