Additional Comments

19. Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).

Employment outcomes data is retrieved from the CTE Outcomes Survey. Response rates to the survey were lower than usual and has impacted employment rate data for 2021-2022. Members of the Accreditation Steering Committee (ASC) and Institutional Effectiveness Committee (IEC) continued to review, reflect, and revise the aspirational goals for student achievement metrics(Questions 12-16) that were initially set in fall 2020. As a continuation of this work, aspirational goals were also established for Licensure Examination Pass Rates (Question 17) and Employment Rates for Career Technical Education students (Question 18).

By submitting this report on behalf of my institution, I confirm that the data and information contained herein is accurate and correct to the best of my knowledge. The institution acknowledges that knowingly submitting false or inaccurate data may result in notification to the U.S. Department of Education and/or accreditation action.
