Alexis sat in for Sokha

1. Cabinet reviewed and commented on the following information items:
 - a. The [Associated Students Election Results](#) are out, and there is a great group of student leaders for 2023-24. Congratulations to President Dani Silva, Vice President Fatima Flores-Ortiz, ICC Co-Chairs Maryam Qureshi and Vy Pho, Senate Chairs Mariah Moreno and Sauda Khan, and Student Trustee César Tlatoāni Alvarado. There also were three referendums passed: #1 – Lowering of RSCO Officer GPA and Credit Requirement; #2 - \$4 Increase to the Student Activities Fee; and #3 – Separation of Executive Board Candidate Tickets.
 - b. The Civil Rights Project produced [The Potential of California's Community College Baccalaureate for Closing Racial Equity Gaps](#), which is a very timely report that will help us in our campaign to get the Cal State system to not be as resistant to the approval of Community College Baccalaureate Degrees.
2. There are some vital positions that are “in limbo” and moving through the process for Cabinet approval. These positions still require a final job description and/or funding source. Cabinet agreed that the decision to fund future positions will be made after the May Revise is received and reviewed.
 - Director, Library (NEW) – job description approved, pending funding
 - Assistant Director, Grants (NEW) – pending job description and funding
 - Administrative Specialist I to Administrative Specialist III (Reclassification and increase in FTE) – pending funding
 - Police and Campus Safety (Shortfall in revenue) – pending funding
3. The Canvas Shell Workgroup continues its work and their second meeting resulted in some [recommendations](#). Recommendations were on topics of third-party tools and DLC, FERPA, and RSI. The Distance Learning Committee (DLC) is working on the group's recommendations.
4. Cabinet reviewed a recent [Enrollment Comparison Report](#) that is received weekly from IT. The information contained in these reports is important to the campus, but there was discussion about whether the information is pulling from accurate sources and still relevant to the data needed. Cabinet provided some direction as to how this report can be improved in format, content, and origin of data. Comments:
 - Have Cabinet put together a group that recommends new report content.
 - Should there be a team that produces it? Should there be a content expert reviewer?
 - There should be a review of where we pull the data from.
 - Have a review of the usefulness of the data that we pull; how to use the report for guidance and decision-making.
 - Need elements that are useful for instructional areas.
 - Work Group appointees are **Patty Quinones (co-lead)**, Loralyn Isomura, Krystal Yeo, George Bradshaw, Morris Rodrigue, **Antonio Bangloy (co-lead)**.
5. The [Title 5 DEIA Evaluation and Tenure Review of Employees](#) was reviewed, and Human Resources has been analyzing these changes to Title 5. The most recent updates have been to reconfirm that DEISA be included in job descriptions for staff and management, but also the performance evaluations and rolling into expectancies and competencies for faculty and their evaluation and tenure process. A lot of work is being done with each constituent group on these changes in both agreements and forms. Human

Resources has been updating job descriptions with the language based on the blanket changes approved by some of the constituent groups and the Board.

6. Cabinet approved an [Immediate Need Request](#) for Instruction for \$90,000 one-time for the STARS fund.
7. Cabinet was joined by Rosa Royce, Chief Compliance and College Budget Officer, and Meghan Chen, Associate Vice President of Instruction, for a quarterly update on [Faculty Position Control Report](#).
