

Join the Chancellor's Office as we delve into the details of the 2022-2023 California State Budget and its impacts on the California Community Colleges.

This year the Annual Budget Workshop will be virtual. Join for an overview of the California budget and other necessary tools and information key to college and district fiscal planning processes.

**Thursday, August 25, 2022 from 9AM – 1PM**

**Tentative Agenda:**

- Opening Remarks - Advancing the Vision for Success and the Roadmap to California's Future
- Overview of the State Budget Framework
- Apportionments and Student Centered Funding Formula
- Updates on Categorical Program Funding and Other Funding Sources
- Using Data for Student Centered Planning and Actions
- Leveraging Investments to Support Student Belonging, Persistence and Success
