

## CASF and LATA Grants

California Advanced Services Fund (CASF) Grant Program and Revolving Loan

<https://www.firegrants.info/GrantDetails.aspx?gid=33296>

Provides matching funding for the deployment of broadband infrastructure in unserved and underserved (NOTE: these definitions are important) areas of California to qualifying applicants.

The CPUC established the Local Agency Technical Assistance (LATA) grant program for eligible pre-construction work facilitating broadband network projects. The California Public Utilities Commission (CPUC or the Commission) thanks you for your interest in broadband technical assistance grants. We welcome your applications for funding of pre-construction work that facilitates last-mile broadband projects led by local agencies and tribes in California. We look forward to working with you.
