

CEO Tenure and Retention Dashboard

<https://ccleague.org/research-data-center/CEOtenure>

The League's **CEO Tenure & Retention Dashboard** provides an overview of tenure rates across the California Community Colleges' history while also analyzing key changes in demographic trends. Through dynamic charts and tables, users can identify trends and outliers to gain additional insight into the data. The dashboard is an interactive infographic that allows users to filter the data to observe changes across time among different regions, districts, colleges, and individual executives, stratified by gender and ethnicity.
