Phase 2

Ongoing review of the registration calendar that may include changes to the calendar for schedule production.

Should we combine registration for Winter and Spring or should they remain on separate dates?
When is the best time to start registration for each term?

- Fall (Earliest campus April 3)
- Winter (Earliest campus October 2)
- Spring (Earliest campus October 16)
- Summer (Earliest campus: March 9)

For fall registration, does starting on May 8th provide the high school students with sufficient time to register before graduation?
