

Rationale for CPOA Institutional Membership

The **California Peace Officers Association (CPOA)** is a non-union professional organization dedicated to the leadership development of California's law enforcement personnel.

Adding CPOA as an institutional membership provides the following benefits to the College:

- **Free or discounted training for sworn members of the department on a range of topics**, including:
 - Public Records Act;
 - Use of force liability; and
 - Leadership
- **Regular updates on legal issues, law changes, and court case summaries**
 - These legal updates are vital for officers to stay up to date on changes to statutory and case law – we don't currently have a mechanism to get regular updates.
