President's Cabinet Action Notes
June 2, 2026

1. Cabinet reviewed and commented on the following standing items:
   a. Cabinet approved to extend the following position:
      - Acting Director, English Language Learners (Extension of Acting position from 7/1/26-7/31/26)
   b. Cabinet approved the following Emergency Funding Requests:
      - STARS Funding for the Instruction Division in the amount of $52,751, as a one-time request.

2. Cabinet was joined by Ashley Walker from Nossaman. Ashley discussed the Governor's May Revise and noted that the Senate and Assembly have included more detailed plans in their analyses of the Governor's May Revise. The Senate version is better for California Community Colleges. Ashley provided an update on bills that were added to the suspense list or are being held for next year. There are two baccalaureate degree bills that have made it through the process, one from the Senate and one from the Assembly; however, only one will move forward.

3. Cabinet reviewed the proposed Quarterly Management Staff Meeting Agenda.

4. Cabinet reviewed the Chancellor's Office Memo, Classified Employee Food Pantry Access Pilot Program, which provides guidance on the implementation of AB 148. The bill creates a pilot program that provides California community college classified employees access to campus food pantry services. The state funding for this program for each College is informed through a funding formula. The guidance provides recommendations for implementation and reporting requirements. Melba reports that the Basic Needs team, along with CSEA leadership, has been actively working on a plan to implement this legislation. A recommendation on implementation will be included in a future Cabinet meeting.

5. Cabinet reviewed proposed revisions to the following Administrative Procedures:
   - AP 4027 – Catalog Rights – this AP will proceed to the next step in the review process.
   - AP 4100 – Graduation Requirements for Degrees and Certificates – this AP will proceed to the next step in the review process.
   - AP 4228 – Course Repetition – Significant Lapse of Time – this AP will proceed to the next step in the review process.
