Facilities Condition Assessment (FCA) Survey Weeks of July 14, July 28, and August 11, 2025

Dear Campus Community,

As part of our ongoing commitment to maintaining and improving our facilities, Mt. SAC will be participating in a scheduled Facilities Condition Assessment (FCA), coordinated by the Foundation for California Community Colleges. This assessment is part of a statewide effort conducted every three to four years and helps inform future facilities planning, budgeting, and improvement efforts.

Two assessors will be on campus for approximately 15 days during the following weeks:

- Week of **July 14**, 2025
- Week of **July 28**, 2025
- Week of **August 11**, 2025

During this time, the assessors will be visually surveying the condition of all buildings and rooms, including classrooms, offices, labs, athletic facilities, and mechanical areas. They will take a discreet approach and seek permission before entering any actively occupied or restricted areas. Assessors will display identification while they are on campus.

If your department has any restricted areas that require special coordination or prior permission for access, please notify Nafi Kaeni no later than **Monday, July 7, 2025**, at nkaeni@mtsac.edu or by calling (909) 274-5324. This will help us ensure minimal disruption and maintain safety and security during the assessment.

Thank you for your cooperation and support as we work together to keep our campus safe, functional, and forward-looking. If you have any questions or concerns, feel free

to reach out.

Nafiseh Kaeni

Special Project Manager
Facilities Planning & Management
