LEGISLATIVE COUNSEL'S DIGEST

AB 393, as introduced, Roger Hernández. Veteran Resource Centers Grant Program.

Existing law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law requires the board of governors to appoint a chief executive officer, to be known as the Chancellor of the California Community Colleges.

This bill would establish the Veteran Resource Centers Grant Program, which would authorize the governing board of a community college district that has or intends to establish veteran resource centers on campuses within the community college district to apply to the chancellor for a grant for purposes of providing resources to veterans and active duty members of the Armed Forces of the United States enrolled at those campuses. The bill would establish the Veteran Resource Centers Grant Fund in the State Treasury. The bill would allocate moneys in the fund, upon appropriation by the Legislature in the annual Budget Act, to the chancellor for, among other things, administration of the program and distribution of awards to recipient community college districts.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
