Mesa College Operational Definitions

Enrollment

The number of seats enrolled, or duplicated headcount as of census. For example, if one student is enrolled in five classes, he or she is counted as five enrollments. Drops, never attends, cancelled, and tutoring classes are excluded from this metric.

Retention Counts

The number of students who complete a course with a grade of A, B, C, D, F, P, NP, I or RD. In other words, the number of students that remain in the class after census and receive a final grade other than W. Tutoring and cancelled classes are excluded from this metric.

Retention Rate

The percentage of students who complete a course with a grade of A, B, C, D, F, P, NP, I or RD (essentially a final grade other than a W) divided by total official census enrollments (Retention Counts / Enrollment). Tutoring and cancelled classes are excluded from this metric.

Success Counts

The number of students who complete a course with a passing grade (A, B, C, or P). Tutoring, non-credit, and cancelled classes are excluded from this metric.

Success Rate

The percentage of students who complete a course with a passing grade (A, B, C, or P) divided by total official census enrollments (Success Counts / Enrollment). Tutoring, non-credit, and cancelled classes are excluded from this metric.

Program GPA

The total grade point average from the courses in a given program. In other words, the total grade points earned divided by the number of units attempted within the program. Note that this figure only reflects grades and units attempted within the program.

Course GPA

The total grade point average of all students for a given course. In other words, the total grade points earned divided by the number of units attempted within the course. Note that this figure only reflects grades and units attempted within the course.

Class Online Status

Course sections designated as online, online open-entry/open-exit, or online with some meetings on campus (e.g., hybrid) are categorized as online classes. All other classes are categorized as non-online classes.
