Reading Competency for AA & AS Degrees Resolution 04-09

Whereas, Mt. San Antonio College's Associate in Science and Associate in Arts degree requirements for Area A include reading, writing, and speaking competencies.

Whereas, the writing and speaking competencies are designated with particular courses, but the reading competency is not.

Resolved, that the Academic Senate of Mt. San Antonio College will work with the Vice President of Instruction to designate a Reading Competency Requirement and recommend necessary changes to AR&P 508; and

Resolved, that LERN (READ) faculty will develop a Reading Competency Test and will develop and implement a research-based evaluation protocol to assess its efficacy ; and

Resolved, LERN (READ) faculty will initiate an effort to define reading advisories for all courses; and

Resolved, the Reading Competency will become effective with the 2005-2006 catalog and will apply to students who enter Mt. SAC under that catalog; and

Resolved, that 'Option #1' to meet the Reading Competency Requirement be a satisfactory score, that qualifies the student for READ 100, on the Degrees of Reading Power (DRP) at the time of initial placement; and

Resolved, that 'Option #2' to meet the Reading Competency Requirement be a Satisfactory score on the Reading Competency Test; and

Resolved, that 'Option #3' to meet the Reading Competency Requirement be the successful completion of READ 90; and

Resolved, that 'Option #4' to meet the Reading Competency Requirement be the successful completion of READ 100; and

Resolved, that 'Option #5' to meet the Reading Competency Requirement be the successful completion of AMLA 54.

First Reading: 10/21/04
Passed Academic Senate: 11/4/04
Passed AMAC: 11/10/04
