

**Academic Senate for California Community Colleges**  
**Course Identification (C-ID) Numbering System**  
2015-2016 Career Technical Education (CTE) Disciplines  
Summary of Work

**Background:**

The Academic Senate for California Community Colleges (ASCCC) and Course Identification (C-ID) Numbering System is convening CTE disciplines to create C-ID descriptors and model curricula for certificates and AA/AS degrees. The following report provides information on the disciplines convened, the status of the work - both in-progress and completed - by the faculty discipline review group (FDRG) for the discipline, and their next steps.

**List of Disciplines:**

<b>Discipline and Term Convened</b>	<b>Draft Documents</b>	<b>Next Steps</b>
Addiction Studies <i>Spring 2013</i>	Draft model curriculum and six draft descriptors	The FDRG will reconvene to continue working on the draft model curriculum and to review the vetting results of the six descriptors.
Agriculture – Food Safety <i>Spring 2013</i>	Draft model curriculum and associated descriptors	The FDRG completed a draft of their model curriculum for Food Safety. The ASCCC and C-ID is working with Nancy Gutierrez, Sector Navigator, on the next steps for the FDRG.
Agriculture – Landscape Irrigation <i>Spring 2013</i>	Draft model curriculum and associated descriptors	The FDRG completed a draft of their model curriculum for Landscape Irrigation. The ASCCC and C-ID is working with Nancy Gutierrez, Sector Navigator, on the next steps for the FDRG.
Alternative Fuels and Advanced Transportation Technology <i>Fall 2015</i>	Draft model curriculum and one draft descriptor	The FDRG appointments were recently completed. The FDRG is being convened for their first meeting.
Automotive Technology <i>Spring 2013</i>	Six draft descriptors	The FDRG needs two additional faculty member appointments prior to convening for their next meeting.
Biotechnology <i>Spring 2013</i>	Four finalized descriptors available on the C-ID website and two draft descriptors	The FDRG is being reconvened to review vetting results for the two draft descriptors.
Commercial Music <i>Spring 2013</i>	Six finalized descriptors available on the C-ID website	The FDRG is being reconvened to determine whether a model curriculum would work for the discipline.
Computer Software Information Technology <i>Spring 2016</i>	Draft model curriculum and six draft descriptors	FDRG appointments are taking place for the discipline.
Culinary Arts <i>Spring 2013, Fall 2015</i>	Two draft model curricula and three draft descriptors	FDRG appointments were recently completed. The FDRG is being convened for their first meeting. Draft descriptors were vetted and results will be reviewed during their meeting.

<b>Discipline and Term Convened</b>	<b>Draft Documents</b>	<b>Next Steps</b>
Dental Assisting <i>Spring 2016</i>	Draft model curriculum and two draft descriptors	FDRG appointments are taking place for the discipline.
Emergency Medical Services <i>Spring 2013</i>	Draft model curriculum and six finalized descriptors available on the C-ID website	FDRG will be reconvened to look at the development of a model curriculum.
Fire Technology <i>Fall 2015</i>	Draft model curriculum and six draft descriptors currently vetting	FDRG will be convened for their first meeting to review statewide vetting feedback on descriptors. Model curriculum will be vetted.
Health Information Technology <i>Spring 2016</i>	Draft model curriculum and 13 draft descriptors	FDRG appointments are taking place for the discipline.
Health Occupations <i>Fall 2015</i>	Draft model curriculum and one draft descriptor	FDRG is being convened for their first meeting.
Licensed Vocational Nursing <i>Spring 2016</i>	Two draft descriptors	FDRG appointments are taking place for the discipline.
Manufacturing and Industrial Technology <i>Fall 2015</i>	One draft descriptor	FDRG appointments are taking place for the discipline.
Medical Assisting <i>Spring 2016</i>	None developed	FDRG appointments are taking place for the discipline.
Office Technology/Business Information Worker <i>Fall 2015</i>	Six draft descriptors	FDRG is being convened for their first meeting.
Radiologic Technology <i>Spring 2016</i>	Two draft descriptors	FDRG is being convened for their first meeting.
Small Business and Entrepreneurship <i>Fall 2015</i>	Two draft model curricula and 12 draft descriptors	FDRG is being convened for their first meeting.
Welding Technology <i>Fall 2015</i>	Draft model curriculum	FDRG is being convened for their first meeting.

#### **Disciplines Being Convened for April 2016 Discipline Input Group (DIG) Meeting**

1. Real Estate
2. Paralegal
3. Environmental Control Technology
4. Energy Systems Technology
5. Water and Wastewater Technology
6. Machining and Machine Tools
