Approved by Governor, September 30, 2012. Filed with Secretary of State,
September 30, 2012.

LEGISLATIVE COUNSEL'S DIGEST

AB 1203, Mendoza. Public school employee organizations: unelected members: paid leaves of absence.

Existing law requires that the governing board of a school district or a community college district grant to any classified employee, upon request, a paid leave of absence to enable the employee to serve as an elected officer of any school district public employee organization or community college district public employee organization, as specified. Existing law requires that following the school district's or community college district's payment of the employee for the leave of absence, it be reimbursed by the employee organization of which the employee is an elected officer for all compensation paid to the employee on account of the leave.

This bill would expand these provisions to additionally require a school district or a community college district to provide a paid leave of absence to a classified employee who is an unelected member of a school district public employee organization or community college district public employee organization for activities the member is authorized by the organization to attend and would require the employee organization to reimburse the school district or community college district on behalf of an unelected member who receives a paid leave of absence.

The bill would additionally require an employee organization to provide reasonable notification to the employer requesting a leave of absence without loss of compensation for any of the above-described activities.

88210.

(2) The leave shall include, but is not limited to, absence for purposes of attendance by the employee at periodic, stated, special, or regular meetings of the body of the organization on which the employee serves as an officer. The Public Employees' Retirement System shall credit the employee with all service credit earned for the period of the elected-officer leave of absence.

(3) If the employee has been compensated by the community college district for the period of the service, then, as a condition to the employee's entitlement to service credit for the period, the community college district shall be reimbursed by the employee organization for the amount of the compensation.

(4) The provisions of this subdivision shall apply retroactively to all service as an elected officer in a public employee organization occurring after August 31, 1987.
