## CTE Leadership Summit

**August 5–6, 2017****Waterfront Hotel, Oakland**

### Why Should I Attend

The infusion of workforce development funding into our system has created an opportunity to advance the CTE mission of California's community colleges. Our charge to close the skills gap and build a more robust workforce is reinforced by a proposed \$200 million investment – an investment that's nearly as powerful as the Student Success investment. Strong leadership is needed to further this initiative.

The League, in partnership with the Chancellor's Office and in support of the Doing What Matters for Jobs and the Economy framework, present the CTE Leadership Summit to provide you and your colleagues with current industry information and tools to lead campus and community dialogue focused on CTE efforts and opportunities. Discussion will include:

Discussion will include:

- Funding requirements for the \$200 million Strong Workforce Program
- Regulatory Changes
- Impact of CTE on Student Services and Academic Affairs
- WIOA Performance Accountability Measures and Model
