The College shall not make or enforce any rule subjecting any student to disciplinary sanction solely on the basis of conduct that is speech or other communication that, when engaged outside of the College, is protected from governmental restriction by the First Amendment to the United States Constitution and of Section 2 of Article 1 of the California Constitution.

Nothing in this policy shall prohibit the regulation of hate violence directed at students in a manner that denies their full participation in the educational process (Education Code Section 66301(e)), so long as the regulation conforms to the requirements of the First Amendment to the United States Constitution, and of Section 2 of Article 1 of the California Constitution.
