

Excerpt on Institutional Effectiveness from January Governor's 2016-17 Budget Proposal, Page 40

Through the Institutional Effectiveness Partnership Initiative, community colleges are implementing performance strategies statewide. The Budget proposes an increase of \$10 million Proposition 98 General Fund to further implement strategies that improve student outcomes. Of this amount, \$2 million will provide local technical assistance to support the implementation of effective practices across all districts. The remaining \$8 million will be used to develop and disseminate effective professional, administrative, and educational practices, including curriculum and practices in support of the Strong Workforce Program, zero-textbook-cost degrees, and open educational resources initiatives highlighted in the Budget.
