## FARE TYPES & CHARTS

The TAP, or Transit Access Pass, is a smart chip payment card that holds all your Foothill Transit passes and cash. You can load passes by calling 1-866-TAPTOGO, buying or refilling your TAP card at [taptogo.net](http://taptogo.net), or visiting any one of our five [Transit Stores](#). To board using your TAP card, simply tap the card on the farebox. (There's a big TAP circle on the fareboxes - aim for that.) Your correct fare is automatically deducted from the card, whether it's cash or a pass that you have loaded. Just TAP and go!

Also be sure to check out our [discounts](#) and [transfer policy](#) to save even more when you ride Foothill Transit.
