(a) The legislative body of a local agency, subject to conditions as may be established by it, may provide for any health and welfare benefits for the benefit of its officers, employees, retired employees, and retired members of the legislative body, as provided in subdivision (b), who elect to accept the benefits and who authorize the local agency to deduct the premiums, dues, or other charges from their compensation, to the extent that the charges are not covered by payments from funds under the jurisdiction of the local agency as permitted by Section 53205.

(b) The legislative body of a local agency may also provide for the continuation of any health and welfare benefits for the benefit of former elective members of the legislative body who (1) served in office after January 1, 1981, and whose total service at the time of termination is not less than 12 years, or (2) have completed one or more terms of office, but less than 12 years, and who agree to and pay the full costs of the health and welfare benefits.

(c) (1) Notwithstanding any other provision of law, a legislative body of a local agency that provided benefits pursuant to subdivision (b) to former elective members of the legislative body January 1, 1995, shall not provide those benefits to any person first elected to a term of office that begins on or after January 1, 1995, unless the recipient participates on a self-pay basis, as provided in subdivision (b).

(2) A legislative body of a local agency that did not provide benefits pursuant to subdivision (b) to former elective members of the legislative body before January 1, 1994, shall not provide those benefits to former elective members of the legislative body after January 1, 1994, unless the recipients participate on a self-pay basis.

(3) A legislative body of a local agency that provided benefits pursuant to subdivision (b) to former elective members of the legislative body before January 1, 1994, may continue to provide those benefits to those members who received those benefits before January 1, 1994.

(d) The legislative body of a local agency that is a local hospital district may provide for any health and welfare benefits for the benefit of (1) members of its medical staff, employees of the medical staff members, and the dependents of both groups on a self-pay basis; and (2) employees of any entity owned, managed, controlled, or similarly affiliated with, the legislative body of the local hospital district, and their dependents, on a self-pay basis.

(e) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

**Government Code 53205.**

From funds under its jurisdiction, the legislative body may authorize payment of all, or such portion as it may elect, of the premiums, dues, or other charges for health and welfare benefits of officers, employees, retired employees, former elective members specified in subdivision (b) of Section 53201, and retired members of the legislative body subject to its jurisdiction.

Those expenditures are charges against the funds. If the employer pays any portion of the premiums, dues, or other charges for the health and welfare benefits, any dividends paid or premiums refunded or other rebates or refunds under any of those health and welfare benefits up to the aggregate expenditures of the employer for the benefits are the employer's property. The excess, if any, shall be applied by the employer for the benefit of the employees or their dependents generally.
