

Planned Grant Submissions						
Due Date	Funding Source, Program Title, and Funding Cycle	Purpose	College Contacts	Amount Requested and Matching Funds	Project Period	Sustainability Requirements & Existing Resource Needs
6/30	LA84 Foundation Mt. SAC Relays Youth Days This is an annual grant application.	The LA84 Foundation funds grants that develop youth sports, particularly among groups and communities underserved by traditional sports programs. Mt. SAC has applied for and received grants from the LA84 Foundation for the past 29 years to support track and field instructional clinics for regional elementary and middle schools, as well as the Youth Days portion of the Mt. SAC Relays event. Since the stadium will be unavailable during construction in 2016, the proposed grant project will continue to support instructional clinics and will provide information and hands-on support for regional schools to host their own track meets.	Joe Jennum, Dean of Kinesiology & Athletics	The College will request approximately \$100,000 for a 12-month period. No match is required.	10/1/2015 to 9/30/2016	Sustainability is encouraged but not a requirement of funding. We do not anticipate the need for existing college resources or institutional research support.
7/1	Avon Foundation for Women Avon Campus Grants to Activate Bystanders to Reduce Sexual	The project will generate awareness by instilling a sense of responsibility for students and faculty to step in and take action when abuse is suspected or observed, providing the training and skills	Livier Martinez, Student Health Services	The College may request up to \$10,000 for a one-year period. No match is required.	9/1/2015 to 8/31/2016	Sustainability is not a specific requirement, and the Avon Foundation does not require any monetary commitment beyond grant funding.
