

Mt. San Antonio College now LIVE on eTranscript California
3/21/2016

eTranscript California Subscribers;

Congratulations! Mt. San Antonio College has completed their testing phase and are now live on eTranscript California. Mt. San Antonio College is NOW Sending and Receiving electronic transcripts through eTranscript California. Please add Mt. San Antonio College to your list of eTranscript California trading partners for electronic transcript processing. If your college also uses Credentials Solutions (as does Mt. SAC) for processing through eTranscript California please make sure that Credentials includes Mt. San Antonio College within their tables for delivering transcripts to Mt. San Antonio College via eTranscript California. For a complete list of colleges visit the website <http://etranscriptca.org/colleges-online>.

eTranscriptCA has over 120 participating members and has processed more than 837,000 Live Transcripts!
