RE: Land of the Free Foundation Beneficiary Notification

Dear Bill:

We are pleased to inform you that the Veteran's Resource Center has been selected as one of the organizations that will receive a contribution from the funds raised at the 2015 Land of the Free Foundation Golf Classic. As in the past we have selected the Veteran's Resource Center and other worthy organizations that we support with the proceeds from this year's Golf Classic because we believe you are the most effective organization and support our troops without using excessive funds for non-program costs.

*Our Mission:*

*The Land of the Free Foundation is committed to celebrating the men and women of the Armed Forces of the United States, past, present and future. The foundation supports programs that help our armed service personnel and their families and ensure that the commitment of our nation's heroes will never be taken for granted and that all Americans recognize, because of the sacrifices of our armed service personnel, we will always live in the Land of the Free.*

As a beneficiary for the 2015 Golf Classic Veteran's Resource Center has demonstrated that its organization provides aid to the men and women of the United States Armed Services in accordance with our mission statement. We are impressed with the Veteran's Resource Center and we would be honored if you would accept our offer to include the Veteran's Resource Center as a Beneficiary for this year's event.

The Land of the Free Foundation Golf Classic will be held at the Industry Hills Golf Club at the Pacific Palms Resort and Conference Center. This year the event will be held on Veterans Day, November 11, 2015. This year's tournament promises to be the finest Charity golf event in Los Angeles, as in the past we expect to raise over \$1,000,000 in only a single day! In keeping with our tradition 100% of all participant funds raised will be given to our Beneficiaries as the Land of the Free Founders cover all of the cost of the event! As one of the Beneficiaries you will receive a large donation from the event and will be included on all of our event marketing materials.

Please visit the foundation's website at [www.landofthefreefoundation.org](http://www.landofthefreefoundation.org) for more information. There you will see past beneficiaries, a photo gallery of past events and learn more about our mission at the Land of the Free Foundation. If you have any questions you can contact Laurie Jenkins at (562) 948-4362.

Thank you for all you do for those who work and sacrifice everyday to ensure that we will always live in the 'Land of the Free'.

Sincerely,
