- (8) *The Chancellor of the California Community Colleges shall be responsible for administering the distribution of funds to the fiscal agents for each region and monitoring progress toward meeting regional and statewide career technical education needs.*
19. (a) The funds appropriated in Schedule (18) for the Transfer Education and Articulation Program are available to support transfer and articulation projects and common course numbering projects.
- (b) Funding provided to community college districts from Schedule (18) is provided to directly offset any mandated costs claimed by community college districts pursuant to Chapter 737 of the Statutes of 2004.
20. (a) ~~One-half of any~~ Any funds appropriated in Schedule (19) are available for the following purposes:
- (1) Scheduled maintenance and special repairs of facilities. The Chancellor of the California Community Colleges shall allocate funds to districts on the basis of actual reported full-time equivalent students (FTES), and may establish a minimum allocation per district. As a condition for receiving and expending these funds for maintenance or special repairs, a district shall certify that it will increase its operations and maintenance spending from the 1995–96 fiscal year by the amount it allocates from this appropriation for maintenance and special repairs, plus an equal amount to be provided from district discretionary funds. The chancellor may waive all or a portion of the matching requirement based upon a review of a district’s financial condition. The question of whether a district has complied with its resolution shall be reviewed under the annual audit of that district. ~~For every \$1 a district expends from any funds provided in this appropriation for scheduled maintenance and special repairs, the recipient district shall provide \$1 in matching funds.~~
