## **Special Note to the Parents and Minor Students Attending Mt. SAC**

It is imperative that parents and minors understand that as students they are entering a college environment, and that carries with it certain possible scenarios, not all of which can be anticipated.

The average age of the Mt. SAC student has increased and the student body has become increasingly diverse in all respects. Thus, the atmosphere of classes will frequently reflect this diverse adult population. Some of the circumstances noted below are not different from the high school setting, while others are significantly differently.

### **Parents and students should be aware that:**

1. All college coursework and grades become a permanent part of the student's official college academic history and transcript. Poor grades have a far-reaching effect on future entrance to the college or university of choice, scholarships, financial aid, awards, etc.
2. Students must abide by the Student Code of Conduct and are subject to the Student Disciplinary Policy. Copies are available in Student Life, Building 9C. All disciplinary incidents become a part of the student's personal history.
3. Students are expected to meet all deadlines, classes must be dropped within the deadlines, grade options selected, assignments turned in on time, etc.
4. Attendance is required, but not monitored as it is in secondary school systems. Most likely, no one will call if a student is absent.
5. Instructors cannot inform parents when classes are cancelled at the last minute or when the class ends early.
6. Instructors cannot supervise a minor while they wait to be picked up.
7. Courses may include frank discussions on sensitive topics.
8. Audio-visual presentations may be graphic in their content.
9. Students may be exposed to vulgar language outside of the classroom.
10. Students may access pregnancy testing, HIV testing and condoms through the Health Center.
11. Group work or class presentations may be expected in class. If required, these activities will be required of all students, regardless of age.
12. If an instructor feels the material is not appropriate for a minor, they may ask the student to withdraw.

These precautions are not meant to create undue concern for parents or the minor student, only to serve as an advisory to allow you to manage your particular situation so the minor will have a positive educational experience at Mt. San Antonio College.

### **Right to Access**

Under section 49061 of the Education Code, parents of community college students do not have a right to access their children's student records, regardless of whether the student is under the age of 18. In accordance with this regulation, the student's college records will be released to parents only with the written consent of the student.

### **Transcripts**

Transcripts will be issued upon student's written request. The college provides two (2) free official transcripts to students.

Students enrolled through the Special Admit Program are not subject to the enrollment fee but are expected to assume the costs of textbooks or other instructional materials and supplies. Fee information may be obtained from the current Schedule of Classes.

## Approval of Parent or Legal Guardian

I give my approval for the student named above, a minor in my care, to attend Mt. San Antonio College as a Special Admit student.

I verify that I have read the Special Note to the Parents and Minor Students Attending Mt. SAC information and understand the responsibilities and expectations of my child attending Mt. San Antonio College as a college student. I also understand and agree to the possibility that my child may be exposed to adult oriented themes and discussions while in class.

I also have read the Special Notes to Parents and Minor Students and understand that according to state and federal regulations, my minor's college records are available to me only with written consent of the student. Under section 49061 of the Education Code, parents of community college students do not have a right to access their children's student records, regardless of whether the student is under the age of 18. In accordance with this regulation, student's college records will be released to parents only with the written consent of the student.

## To be complete by Principal or Designee:

The above named student is in the \_\_\_\_\_ grade at \_\_\_\_\_ School.

### **By signing this form I further certify that:**

1. This student is enrolled for at least the "minimum school day" (EC §48801);
2. This student would benefit from "advanced scholastic or vocational work" (EC §48800);
3. This course recommended is for enrichment purposes (EC §48800);
4. The recommended course is not currently offered at this school;
5. The recommended course is not alleviating an academic deficiency or being used to replace a school requirement.
6. I have not given approval to more than 5 percent of the total number of pupils from this grade level to participate in this program (EC §48800) (d) (2). Courses to be taken by a special admit student should be decided in concert with the school counselor. Students are able to enroll in any course if the course prerequisite is met. The student shall receive college credit for community college courses that have been successfully completed at the level determined by Mt. San Antonio College.
