Campus Safety Updates

Previous Commitments and Progress Updates

Building 26A-D Security Camera Project

PREVIOUS COMMITMENT

Evaluation and analysis of surveillance camera study for Bldg. 26A-D Complex.

PROGRESS UPDATE

Analysis resulted in the purchase and installation of security cameras and an expansion of the Alertus mass notification system in the Bldg. 26A-D Complex. Installation is complete and software updates are being finalized prior to going live.

Expected Project Completion: Fall 2024

Emergency “Blue Light” Phones

PREVIOUS COMMITMENT

Evaluate and test the Emergency “Blue Light” Phone system and address non-functioning phones.

PROGRESS UPDATE

Phones are functioning properly and we will continue to monitor and test the “Blue Light” phones to ensure functionality. The “Blue Light” phone in Parking Lot H is currently being assessed for repair or replacement.

Student Programs

MESA (Math, Engineering, Science, Achievement)

- MESA (Math, Engineering, Science, Achievement) is a state-funded, academic preparation and support program engaging historically underrepresented K-12, community college, and university students pursuing science, math, or engineering.
- Mt. SAC MESA support students who are calculus-based STEM majors, first-generation college students, and are receiving financial aid.
- Our goal at Mt. SAC MESA is to help our students build the knowledge, skills, and mindset needed to successfully transfer to a university and obtain their bachelor's degree in STEM.
- Our program provides **1) academic support** including tutoring, counseling, academic support workshops, university fieldtrips, **2) career readiness** including professional conferences, guest speakers, industry visits, internship & research support, and **3) community-building** including social events, and a study center (Bldg 61-1652).
- Applications for Fall 2025 will open in Spring 2025 at <https://www.mtsac.edu/mesa/>. Check out our website for additional information about Mt. SAC MESA!
