

## Mammography Certificate Program

### Application

The Mammography Certificate Program is an advanced imaging certificate. **Applicants must be currently registered as second year students in Mt. SAC's Radiologic Technology Program.**

### Directions

1. Complete the reverse side of this form.
2. Email your completed application to Melissa Villegas at [mvillegas32@mtsac.edu](mailto:mvillegas32@mtsac.edu).
3. The application window is open Oct 1st – Oct 31st.
4. Complete clinical site requirements (*if applicable*)
  - a. Clinical sites may have pre-admission requirements. You are responsible for completing the requirements prior to clinical placement. Applicants who do not complete the clinical requirements by the given due date, will not be eligible for program admission.

### Additional Information

- The didactic course (RAD40) is scheduled in the Spring. The course is scheduled on Fridays, 12:40pm 4:30pm. The course load is in addition to your RT program load. Please keep that in mind when applying to the program.
- Your mammography clinical training will be scheduled during your RAD3C/RAD4 x-ray clinical hours. No additional hours are required.
- Provisional admits will be notified by 11/30.
