THE RESILIENT CLASS OF 2020

On behalf of the Board of Trustees, the faculty, and the staff of Mt. San Antonio College, we congratulate our resilient Class of 2020!

While we wanted you to be the first class to graduate from our newly rebuilt stadium, instead you are the first class to celebrate a commencement via a virtual ceremony and drive-thru celebration. More importantly, the Class of 2020 will go down in history for its perseverance. You faced down a pandemic, pivoted to strictly online classes and services, and overcame countless challenges at home and on the job to achieve this milestone. In short, you showed all the tenacity and grit that is necessary to succeed after you graduate. The adversity you experienced has forged an inner strength and resolve that will serve you well for the rest of your lives.

Whatever your next move — to a university or the job market — we are confident that Mt. SAC has prepared you for success. Today, you become a graduate of one of the best community colleges in the country. Yes, the country. We excel in music, athletics, speech, agriculture, computer science, health careers. You name it. You may not realize it because we keep the cost of your education at a fraction of the cost of a private college. But, in national and international competitions, your peers are regularly beating out students from other colleges and four-year universities.

Nearly 4,000 petitions were filed to receive Associate in Arts and Associate in Science degrees this year, which solidifies Mt. SAC's annual ranking among the nation's top degree-awarding institutions. As a Top 10 transfer institution in the state, we are pleased to announce that many of our graduates have been admitted to public and private universities across the country. In addition, Mt. SAC has partnered with several universities to provide accelerated bachelor's degrees that build off our associate's degrees.

No matter where you go next, remember you will always be Mounties. We wish our graduates good health, and much joy and success. *Congratulations!*

2020 STUDENTS OF DISTINCTION

The *Students of Distinction Award* recognizes 20 students for their competitive, academic, and personal achievements as well as outstanding service to the College. They were nominated by college faculty and staff. Graduating Students of Distinction are noted by the ♦ symbol next to their names, which are listed on pages 9-24.

OUTSTANDING TRANSFER PROFILES

Amir Abdolvahabi

Bethany Sesti

**Amir Abdolvahabi
and Bethany Sesti
RANK AMONG
STATE'S TOP
SCHOLARS**

Two Mt. SAC students placed on the All-California Academic Team for 2020. Only 105 students from all community colleges across the state are awarded the honor. They competed to get placed on the team in a review of their academics, extracurricular activities, service work and essays written. Bethany Sesti and Amir Abdolvahabi placed on the First Team, the most prestigious honor.

“Given that there are 2.1 million students attending 115 California Community Colleges, it is an amazing honor for our two students to be part of the 105 students named to the All California Academic First Team,” said Heidi Lockhart, Director of Mt. SAC’s Honors Program. “This state wide award honors some of the best and brightest students in the state and Amir and Bethany are definitely that.”

Amir Abdolvahabi

Mt. SAC degree earned (graduating this semester):
Psychology, AAT. Transfer major: Psychology

Bethany Sesti

Mt. SAC degrees already completed:
Liberal Arts–Kinesiology and Wellness, A.A.
and Liberal Arts–Natural Sciences, A.A. Transfer major: Biology

Our Mission

The mission of Mt. San Antonio College is to support all students in achieving their educational goals in an environment of academic excellence. Specifically, the College is committed to providing quality education, services, and workforce training so that students become productive members of a diverse, sustainable, global society. The College pledges to prepare students for lifelong learning through the mastery of basic skills, the achievement of associate degrees and certificates, and the completion of career and transfer pathways. The College will carry out this commitment by providing an engaging and supportive teaching and learning environment for students of diverse origins, experiences, needs, abilities, and goals. The College is dedicated to serving our community through improving economic achievement, advancing civic engagement, enhancing personal well-being, promoting critical thinking, and enriching aesthetic and cultural experiences.
