

Power Potential. Unlock Talent. Upskill with English.

EXPLORE THE PLATFORM

Immigrants, refugees, and speakers of other languages represent 1 in 5 U.S. workers.

Yet the U.S. serves the needs of just 4% of adult English learners.

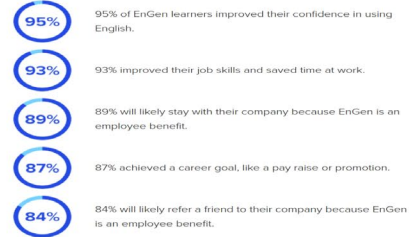

In response, employers and organizations across the country are investing in English instruction with EnGen.

Together, we're advancing employee recruitment, retention, engagement and talent development at the scale needed to serve the U.S. workforce.

Meet EnGen

We are a Certified B Corporation that delivers personalized, career-aligned, mobile-first English instruction.

Here's how we're powering the workforce:

WHY ENGEN

EnGen's patented, AI-powered technology delivers industry-aligned content and coaching.

We help employers advance employee recruitment, retention, engagement, and talent development.

Our science-based, sector-specific approach supports adult learners in meeting their educational and career employment goals in high-demand fields:

Healthcare

Manufacturing

Restaurants & Hospitality

E-Commerce & Retail

Technology

Adult Education
