SCE Students Are BACK!!

- Additional 4,758 students served in Contract/Community Ed in 2021-22
 - 271% increase from last year and about 3,500 more students!
 - 13 more classes than last year!
 - College for Kids in person for this summer!
- Continuous noncredit growth since Summer 2021 with almost 1400 noncredit FTES increase since 2020-21

How we delivered noncredit classes in 2022-23

■ In-Person ■ Online

SCE Funding

125,058	154,568	95,054	124,500
125,487	56,845	97,511	125,000
124,000	110,000	99,011	154,000
105,450	150,000	99,216	95,000
86,502	35,000	101,090	154,200
	83,000	101,684	110,000
	45,000	101,962	89,000
		102,747	50,000
			68,700
			123,000

How is SCE funded?

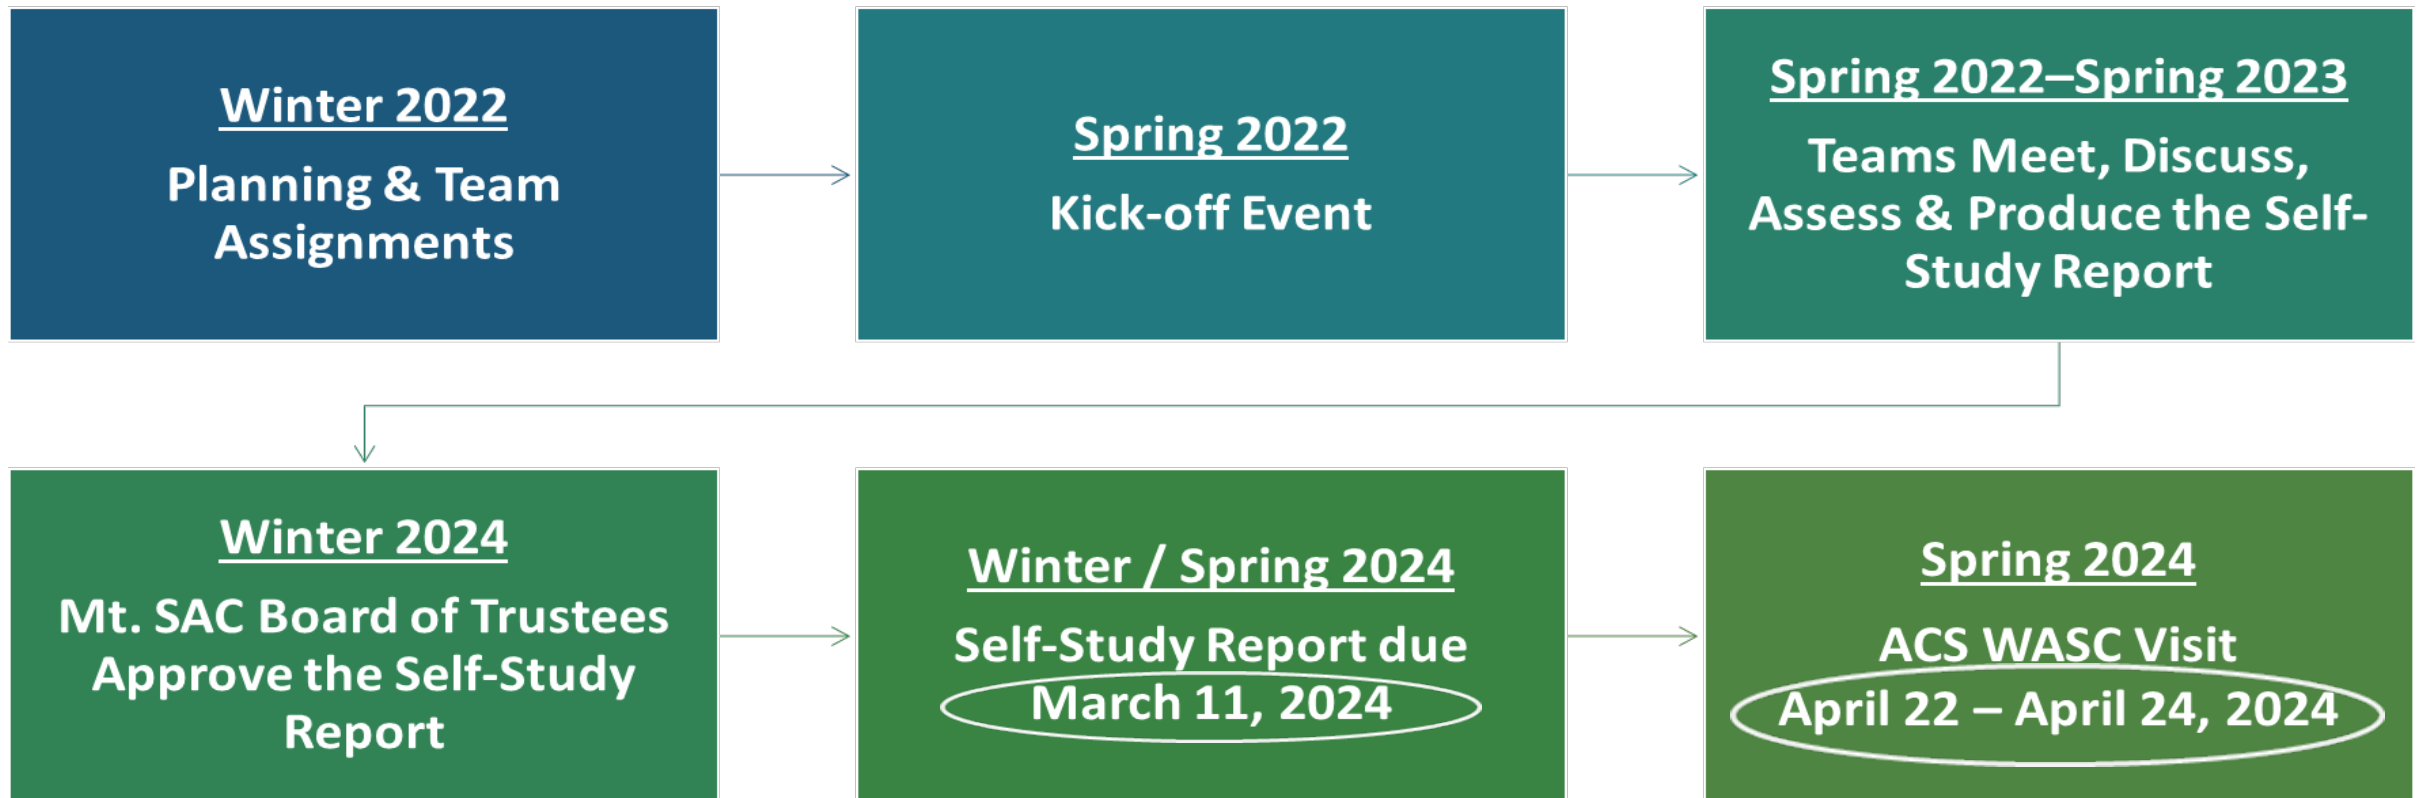

- Unrestricted General Funds – district funds
 - We earn our UGFs from student attendance in noncredit classes
 - State funds pay for staff, faculty, supplies, equipment, conferences/professional development
- Restricted funds – grant/categorical funds
 - State and federal (WIOA, CAEP, SEAP, Strong Workforce, Appropriations, HEERF/COVID relief)
 - Awards – Lumina Foundation, Chancellor's Office Apprenticeships)
 - Can only spend this money on specific populations or uses
- Community and Contract Education - (fees, contracts, state funds)

The background features a gradient from light blue on the left to light orange on the right. On the left side, there are several overlapping, wavy, semi-circular shapes in shades of blue and white. On the right side, there are similar wavy shapes in shades of orange and white.

WASC Accreditation

Accreditation Update

ACS WASC Self-Study Timeline

Accreditation Update

ACS WASC Self-Study Preliminary Findings

Criterion 4 Curriculum	Criterion 5 Teaching & Learning	Criterion 6 Assessment & Accountability	Criterion 7 Student Support Services
Strengths			
Integration of SCE faculty into the College curriculum process (<i>a valuable way to remain responsive to the needs of noncredit students</i>).	Student accessibility to a diversity of teaching modalities.	Availability of data on disproportionately impacted students.	Robust services that are responsive to the needs of marginalized student population.
Areas of Growth			
Technology training for students taking online classes.	Application of DEISA lens more intentionally and consistently in teaching and learning	SCE data group to foster data use to supports student learning and growth.	Organized structure and resources to increase noncredit to credit transitions.

Accreditation Update

ACS WASC Visit Dates

On-campus visit

7-member ACS WASC Visiting Team

Reception: Sunday, April 21, 2024

Visit Dates: April 22, 2024 – April 24, 2024

New SCE Website

New SCE Website – Coming April 2023

A mockup of the School of Continuing Education (SCE) website. The top section features a dark background with a building and a woman in a graduation cap. The main heading is "Build a Better Life" in orange, followed by "School of Continuing Education" in white. A paragraph describes the programs. Below this is a row of six red buttons with white text: "More About SCE", "Short-Term Vocational", "Adult Basic Education", "Community Education", "Adults with Disabilities", "Education for Older Adults", and "English as a Second Language". The bottom section has a red background with a photo of three people in medical scrubs. To the right, it says "School of Continuing Education" and "Short-Term Vocational" in white, followed by a list of programs: Health careers training and certificates, Business classes, Electronics classes, and Floral design classes. A "Get Started With STV" button is at the bottom right.

Build a Better Life

School of Continuing Education

SCE programs are designed to help you gain new knowledge and skills to build the life you want. We offer a wide range of low-cost or no-cost classes, whether you are looking for personal improvement, college prep, or career advancement.
