### **Additional Program Information**

### About the Adults with Disabilities (AWD) Program

Mt. San Antonio College School of Continuing Education offers specialized courses designed to enable students with intellectual and/or developmental disabilities to attend college and achieve their goals. Our classes provide students with the skills they need to transition into more independent living and working environments in the community, and to prepare for other college courses. The Mt. SAC college campus and surrounding community provide a rich environment for instruction and skill development.

### **Course Modality**

Course Modality refers to how a professor delivers their course.

- In Person Learning takes place at a physical location at specific days/times.
- Synchronous Learning is online learning that happens in real time. This means that you, your classmates, and your professor interact in a Zoom call through Canvas at a specific time.
- Asynchronous Learning is online learning that happens both in real time and on your schedule. All asynchronous classes have a weekly live Zoom call. In addition to the Zoom call, you are responsible for doing some work independently. You will be required to read, watch videos, participate in online discussion forums, or complete assignments outside of the scheduled Zoom time. You have the ability to access and satisfy these requirements within a flexible time frame.

### Counseling

Our Adults with Disabilities (AWD) counselors provide career, academic, and personal guidance. If you need support, they can connect you with applicable campus and community services. They are here to help you achieve your goals! If you need counseling, please contact us at 909-274-4192 to schedule an appointment.

### **Student Support Volunteers**

We always encourage our students to ask for help when they need it. With that in mind, we welcome coaches, parents, assistants, or caregivers to assist students during class. Mt. SAC does not provide coaching or caregiving services, but our counselors can connect you with community resources that do. Anyone who attends class who is not a student must complete the <a href="AWD">AWD</a> Volunteer Form each term. All volunteers are expected to comply with college policies and procedures on and off campus.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <a href="https://www.mtsac.edu/sce/awd">https://www.mtsac.edu/sce/awd</a>
