phone: (909) 274-4192

Registration Information

Registration is ongoing.

How to Register for a Class

Students can register for classes online or in person.

To register online, complete the noncredit application online each registration period (Summer/Fall or Winter/Spring). After completing the noncredit application, we will email you a personalized registration link where you can select your classes. The noncredit application is available online at www.mtsac.edu/noncreditapp.

To register in person, complete a yellow registration card. This registration card serves as your application and registration document. You can get a blank yellow registration card from your professor. After filling it out completely, please give it back to your professor for processing.

To register for impacted classes, such as Computer Skills classes, see the following page for registration information.

Need Help?

Come see us in person! We have registration support dates out in the community at a location near you. See the following page for details.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <https://www.mtsac.edu/sce/ea>

Additional Program Information

About the Education for Older Adults (EOA) Program

Mt. San Antonio College's School of Continuing Education offers classes for older adults that provide opportunities for personal growth and development, community involvement, and skills for mental and physical well-being. Classes are available online and at various senior centers, community centers, and residential facilities. These courses are designed for older adults (age 55+ years). Education for Older Adults (EOA) students enter class with different levels of real-world experience as well as a multitude of educational levels, age variances, and life skills.

Do you have questions about a class?

All faculty members teach their classes slightly differently based on their knowledge, expertise, and teaching philosophy. It is the policy of Mt. San Antonio College to maintain and encourage freedom for its faculty, within the law, of inquiry, teaching and research, and the pursuit of knowledge. If you have questions about a specific class, we encourage you to email the faculty member.

Course Modality

Course Modality refers to how a professor delivers their course.

- **In Person Learning** takes place at a physical location at specific days/times.
- **Synchronous Learning** is online learning that happens in real time. This means that you, your classmates, and your professor interact in a Zoom call through Canvas at a specific time.
- **Asynchronous Learning** is online learning that happens both in real time and on your schedule. All asynchronous classes have a weekly live Zoom call. In addition to the Zoom call, you are responsible for doing some work independently. You will be required to read, watch videos, participate in online discussion forums, or complete assignments outside of the scheduled Zoom time. You have the ability to access and satisfy these requirements within a flexible time frame.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <https://www.mtsac.edu/sce/ea>

phone: (909) 274-4192

Class Descriptions

Brain Health Classes

OAD BHTH1 Brain Health 1 - Introduction to Brain Training

Critical thinking and cognitive skills through understanding key structures and functions of the brain. Focus on maintaining and/or improving cognitive abilities through brain training.

OAD BHTH2 Brain Health 2 - Brain Health Topics

This course improves cognitive abilities by combining brain training with brain health topics/lectures to strengthen and improve brain function. Particular focus on how to live a brain healthy lifestyle.

OAD MBH Music and Brain Health

This course is designed to help older adults improve their overall cognitive health through the use of music.

Painting and Drawing

OAD FNA03 Oil Painting

Principles of drawing, design, color, and composition for oil painting emphasizing creative skill development for the older adult population.

OAD FNA04 Watercolor Painting

Principles of watercolor painting for the older adult population. Emphasis will be on creative expression to develop primary skills for watercolor as they relate to composition and technique.

OAD FNA06 Ceramics for Older Adults

Hands-on practice of ceramic fundamentals including wheel-throwing, hand-building, and glazing to improve health for older adults.

OAD FNA32 Drawing— Beginning-Advanced

Perceptual and technical skills of drawing. Focus on single objects, still life, and landscape.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <https://www.mtsac.edu/sce/ea>

Contact us at:

email: ea@mtsac.edu

phone: (909) 274-4192

Healthy Aging Classes

OAD FN Food and Nutrition for the Older Adult

Examine nutritional cooking strategies and basic nutrition principles that improve health and vitality for older adults.

OAD MOX01 Healthy Aging

Healthy aging, including diet, nutrition, disease prevention, and application of physical fitness principles to maintain health while aging.

OAD MOX02 Healthy Aging - Principles of Slow Movement

Healthy aging, including diet, nutrition, disease prevention and application of Tai Chi Principles to maintain health while aging for the older adult.

OAD MOX04 Healthy Aging - Principles of Posture and Flexibility

Health aging, including diet, nutrition, disease prevention, and application of Yoga principles to maintaining health while aging for the older adult population.

OAD MOX06 Healthy Aging - Principles of Aquatic Resistance

Healthy aging, including diet nutrition, disease prevention, and application of aquatic resistance principles to maintain health while aging for the older adult population.

OAD MOX09 Healthy Aging – Principles of Progressive Resistance

Healthy aging, including diet, nutrition, disease prevention and application of progressive resistance training principles to maintain strength while aging.

OAD MOX11 Healthy Aging – Fall Prevention Balance and Mobility

Addresses, particularly for older adults, the risks and fears associated with falling. Includes setting realistic goals, minimizing environmental risks and balance exercises.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <https://www.mtsac.edu/sce/eoa>

email: eo@mtsac.edu

phone: (909) 274-4192

Lifelong Learning

OAD FLIT Financial Literacy in Retirement

Obtain knowledge and skills needed to successfully navigate and protect finances during retirement. Students will learn how to develop a well-rounded retirement budget that fits their individual needs.

OAD LS Writing Your Life Story

This course is designed to help older adults write their life stories. Through a series of lectures, activities, and writing exercises, students will learn the necessary skills to construct and document their life stories. The course will cover topics such as timeline creation, memory recall, life purpose, and the importance of sharing stories.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <https://www.mtsac.edu/sce/ea>

Vocational Re-Entry Program

Mt. San Antonio College's School of Continuing Education offers vocational re-entry (VRE) courses and certificates for adults returning to the workforce and as a means of supplemental income. Classes are available online, on campus, and at various locations and community centers. Students enroll in these classes to learn vocational skills that they can use to start a new career, start their own business, earn additional income, or to support their community. Students can earn certificates in Office Computer Applications, Basic Excel Applications, Basic Computer Presentations & Publication, Digital Media Specialist, Microenterprise, Regenerative Communities, and/or Sewing & Tailoring.

You can view the VRE Schedule online at www.mtsac.edu/ea.

All classes are tentative and may change based on enrollment, attendance, and the needs of our students and community partners. For the most current class schedule, visit our website: <https://www.mtsac.edu/sce/ea>
