Registration Information

Registration begins on Monday, November 6.

How to Register for a Class

Students can register for classes online, in person, or by meeting with their counselor.

To register online, complete the noncredit application online each semester. After completing the noncredit application, we will contact you and help you register for classes. The noncredit application is available online at www.mtsac.edu/noncreditapp

To register in person, complete a white registration card. This registration card serves as your application and registration document. You can get a blank white registration card from your teacher. After filling it out completely, please give it back to your teacher for processing.

****In Person Technology Classes & Select Sewing Classes** (sewing class CRNs 31128, 31132, and 31134): You must come in person to the center where you plan to take class to register for all in person computer classes. Each person must register for themselves. Students may not register for anyone else. Registration is first come first served. If you miss the dates listed below, you may attend on the first day of class to see if space is still available.

| | | |

****VRE In Person Technology Classes & Select Sewing Classes**

(Sewing class CRNs 31128, 31132, and 31134)

You must come in person to the center where you plan to take class to register for all in person computer classes. Dates and time for registration at each site are listed above. Each person must register for themselves. Students may not register for anyone else. Registration is first come first served.

If you miss the dates listed above, you may attend on the first day of class to see if space is still available. Or, you can contact the professor.

Additional Program Information

About the Vocational Re-Entry Program

Mt. San Antonio College's School of Continuing Education offers vocational re-entry (VRE) courses and certificates for adults returning to the workforce and as a means of supplemental income. Classes are available online, on campus, and at various locations and community centers. Students enroll in these classes to learn vocational skills that they can use to start a new career, start their own business, earn additional income, or to support their community. Students can earn certificates in Office Computer Applications, Basic Excel Applications, Basic Computer Presentations & Publication, Microenterprise, or Sewing & Tailoring.

Do you have questions about a class?

All faculty members teach their classes slightly differently based on their knowledge, expertise, and teaching philosophy. It is the policy of Mt. San Antonio College to maintain and encourage freedom for its faculty, within the law, of inquiry, teaching and research, and the pursuit of knowledge. If you have questions about a specific class, we encourage you to email the faculty member.

Course Modality

Course Modality refers to how an instructor delivers their course.

- **In Person Learning** takes place at a physical location at specific days/times.
- **Synchronous Learning** is online learning that happens in real time. This means that you, your classmates, and your instructor interact in a Zoom call through Canvas at a specific time.
- **Asynchronous Learning** is online learning that happens both in real time and on your schedule. All asynchronous classes have a weekly live Zoom call. In addition to the Zoom call, you are responsible for doing some work independently. You will be required to read, watch videos, participate in online discussion forums, or complete assignments outside of the scheduled Zoom time. You have the ability to access and satisfy these requirements within a flexible time frame.

Counseling

Our Vocational Re-Entry (VRE) counselors provide career, academic, and personal guidance. If you are in need of support, they can connect you with applicable campus and community services. They are here to help you achieve your goals!

If you are in need of counseling, please contact us at 909-274-4192 to schedule an appointment.

VRE Programs

Office Computer Applications - Level 1

This certificate is designed to prepare students for entry-level office support employment. Completion of the certificate provides students with basic skills for a computerized office environment.

Office Computer Applications - Level 2

This certificate in Office Computer Applications - Level 2 prepares students with an array of office computer skills for a computerized office environment.

Basic Excel Applications

This certificate in Basic Excel Applications is customized to meet the needs of the entry level adult student or professional, who is seeking to acquire Microsoft Excel computer skills used in today's emerging computerized office environment.

Basic Computer Presentation and Publication

This certificate in Basic Excel Applications is customized to meet the needs of the entry level adult student or professional, who is seeking to acquire Microsoft Excel computer skills used in today's emerging computerized office environment.

Microenterprise

This certificate is designed to prepare students to start and manage a home-based business for self-employment or obtain a job in the field of business management. Students will gain knowledge and skills in the essentials of starting a small business, requirements of local/state/federal organizations, and best practices in hiring as well as in sales and marketing strategies.

Sewing & Tailoring

This certificate in Sewing and Tailoring is customized to meet the needs of the entry level adult student or professional, who is seeking to acquire specific skills used in today's emerging fashion industry for tailors, dressmakers or custom sewers to master each phase of the apparel process to produce made-to-measure garments. Jobs such as alterations sewer, alterations tailor, bridal gown fitter, coat cutter, coat maker, couture dressmaker, dress fitter, fur tailor, garment fitter, and suit maker.

If you'd like to learn more about earning a certificate, please meet with a counselor. Contact us at 909-274-4192 to schedule an appointment.
