

INTERNSHIP OPPORTUNITY

Accepting
applications for
Fall 2026
starting July 27

Pasadena Humane's Sandra J. Goodspeed Wildlife Rehabilitation Center

Learn the basics of wildlife
rehabilitation including:

- Medical triage and treatment of sick, injured, and orphaned wildlife
- Husbandry
- Pharmacology
- Gavage/tube feeding
- Networking and collaboration
- Natural history of local, urban wildlife

We are recruiting stipended
staff positions as well as
volunteer positions.

This internship is designed for current students or recent graduates. We strongly encourage people from systematically excluded groups to apply. Please reach out if you need any accommodations.

To learn more, attend a virtual Q&A
on July 27th at 5:30pm
Email wildlife@pasadenahumane.org for
the meeting link and any questions.
