

You're Invited to the **STEM CENTER** Ribbon Cutting and Grand Opening

Mt. SAC STEM Center provides academic support through peer-to-peer coaching, counseling and STEM support services. Students who visit the center will find a study area stocked with microscopes, laptop computers, and even skeletons for anatomy students. The STEM Center is open to future and current STEM majors or any Mountie interested in STEM.

The STEM Center is located on the third floor of Building 61, Room 3320

WEDNESDAY, OCTOBER 12, 2022 @ 3:00 PM
