"The stories from all the recipients."

"Everyone nominated was able to give a speech. Very inspiring to hear everyone's story, especially as an alumnus."

"The decoration and detail to the event and food set up."

## How could we improve the guest experience for the ceremony?

"It was difficult to hear recipients and staff. Perhaps louder speakers and more emphasis on being respectful to each recipient's speech time."

"...show videos of the wonderful support students receive here at Mt. SAC. Maybe the video can be show near the beginning of the ceremony."

## Additional Comments

"Thank you for such a great event."

"It would be nice to recognize past recipients. Even a quick stand if you are in attendance."

"We noticed in the program that the names of the nominator was provided for the educators; it would be a wonderful addition..."
