Subject: Revision of Natural Sciences Senator OD Date: 04/07/17

Whereas: The Natural Sciences Senator is expected to complete two surveys per semester.

Whereas: Surveys require careful planning as well as the approval of the survey questions by the relevant authorities, including the research timing, which can take some time.

Whereas: Changing the number of surveys required from two per semester to term will ensure the high quality of these surveys and sufficient time to complete them.

Therefore: Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve changing the survey requirements from two per ~~term~~ to two per semester.
