Subject: Revision of Impeachment Process

Date: 5/25/16

Whereas: The current impeachment powers dictated by the Organizational Directive to the Senate are ineffective and inefficient and shall be invested within the power of the Student Court.

Whereas: With the impeachment of A.S. Senate and Executive Board officers restricted to the Senate and Executive Board, this fosters political bias thus rendering what would otherwise be an impartial verdict to be influenced and manipulated by opposing parties.

Therefore: Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve:
