**Whereas:** The Community Relations and Public Relations Senator positions have become outdated and need to be changed. Community Relations is much less relevant, and has very little way to be held accountable. Public Relations contains some irrelevant duties, so both must be changed.

**Whereas:** This change will create a more diverse and critical position with a decent workload.

**Whereas:** This is critical to Associated Students so that we can have more relevant and updated duties as a body representing the Students.

**Therefore:** Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve Campus-Community Senator.
