Senate Chair to chair in absence of the A.S.

Subject: President and A.S Vice President

Date: October 22, 2015

Whereas: A Senate Chair will chair all Executive Board meetings with the absence of the A.S President and A.S Vice President.

Whereas: In the case that the A.S. President and A.S. Vice President are absent, a Senate Chair will chair the Executive Board meeting and run the meeting as scheduled.

Whereas: This will help Executive Board meetings be more efficient and ensure that meetings will proceed smoothly. The Senate Chair will be better equipped to chair the Executive Board meetings because the Senate meetings and Executive Board meetings share the same information and processes.

Whereas: The Executive Board members will not have to worry about who will run the meeting and whether or not they will be effective. The Executive Board meetings will still maintain order during the meetings if the A.S President and A.S Vice-President were to be absent. In maintaining order, the meeting will not be cancelled and still be able to run as scheduled.

Therefore: Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve that Senate Chair to chair in absence of A.S President and A.S Vice President.
