## Resolution 3

Author: **Nicholas Roy Ibarra**

Signature: 

Co-Author: **Richmond Tang**

Signature: 

Subject: **Creation of a Chicax/Latinx Cultural Resource Center & Support Program**

Date: **11\08\2018**

**Whereas:** Associated Students (A.S.) supports the demand and need of its student population for a Latinx/Chicax Student Program & Resource Center on the Mt. San Antonio College (Mt. SAC) campus.

**Whereas:** While Mt. SAC does support students through Student Services and support programs such as ARISE, ASPIRE, DREAM, PRIDE Center, ACES, Bridge, Deaf & Hard of Hearing, ACCESS and many more; A.S. recognizes that Mt. SAC provides no specific program that is dedicated and committed to the academic success and cultural enrichment of the Mt. SAC Latinx/Chicax student population as a whole.

**Whereas:** Mt. SAC is distinguished as a Hispanic Serving Institution (HSI) with 54.73% of its students identifying as Latinx/Chicax; furthermore, Mt. SAC has received \$3.2 million for the last 5 years by having at least 25% full-time Latinx/Chicax students. (Source: Mt. SAC, "About Us")

**Whereas:** Mt. SAC's mission statement reads: "providing an engaging and supportive teaching and learning environment for students of diverse origins... The college is dedicated to serving our community through improving economic achievement through... enriching aesthetic and cultural experiences" (Source: Mt. San Antonio College, "About Us").

**Whereas:** The services, details, and rationale of the Latinx/Chicax Student Program & Resource Center will be listed on the reference document attached to this resolution.

**Whereas:** The creation of a Latinx/Chicax Student Program & Resource Center will benefit the Mt. SAC community by providing academic resources and cultural education for an underserved majority population.

**Therefore:**

Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve of the Creation of a Chicax/Latinx Cultural Resource Center & Support Program to properly serve its Latinx student population.
