Subject: NASPA National Conference - Common Purpose

**Whereas:** NASPA is a conference that will inform interested students that want to pursue higher education professions. However, the national conference is important to Mt. SAC students because this conference will serve as a conduit to students that want to get informed on higher education opportunities and issues.

**Whereas:** This conference will be four all day events, that take place March 12-16, 2016 in Indianapolis, Indiana.

**Whereas:** Since this is a national conference that takes place over a four-day period, there will be a variety of guest speakers. One of the main speakers, which we are all aware of, that will be presenting, representing Mt. SAC is Dr. Audrey Yamagata-Nogi

**Whereas:** By going to this conference, the four students and one advisor who will be attending this event will bring back knowledge that will help out, not only students, but faculty at Mt. SAC by making NASPA conference's a priority.

**Therefore:** Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve an amount not to exceed \$7,300 from the Conference Account, no. [Redacted]
