Subject: Mt. SAC Police Department Student Concerns

Date: 12/4/2017

Whereas: The Mt. SAC campus safety is transitioning into a police department and the College is looking at policy involving use of force and tools the department may employ,

Whereas: Many students have expressed concerns but have much remained unheard by the administration. Compounded by remarks from public safety entities that have dismissed the narratives of over half the student community,

Whereas: The Associated Students is the body meant to represent the students to the school; for the best interest of these students, Associated Students stands opposed to any lethal use of force option until the concerns of the students are heard,

Whereas: The Associated Students calls for dialogue between student leaders administration and campus safety so the student communities concerns may be addressed and remedied,

Therefore: Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve Mt. SAC Police Department Student Concerns.
