Subject: Outstanding Service from the Basic Needs Committee (BNC)

Date: April 19, 2020

Whereas: The Basic Needs Committee (BNC) was launched in response to Mt. San Antonio College's (Mt. SAC) commitment to supporting the needs of students who face housing, food, and other basic resource insecurities. The primary goal for the BNC is to discuss, recommend, and provide access to information and resources to support the efforts of students in-need to achieve their educational goals.

Whereas: During the COVID-19 pandemic, the Basic Needs Committee has done everything possible to provide on and off services to students. During these hard times, the committee members along with the help of volunteers were able to provide food for more than 300 students.

Whereas: The Basic Needs Committee was created as a response to the request of Associated Students as well as other student leaders on campus wanting a comprehensive campus-wide effort that serves students experiencing housing instability, food insecurity, and other emergency/crisis situations. It is also a committee that is a campus-wide prevention and early intervention program hosted by the Department of Student Life.

Therefore: Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve Outstanding Service from the Basic Needs Committee (BNC).
