Resolution 1

Subject: **Official Land and Labor Acknowledgement** Date: **11/23/2021**

Whereas: Associated Students have worked for the past year to cultivate a Land and Labor Acknowledgement worthy of being presented for events. After working through nuisances, Associates Students officers should be confident in their abilities to write their own Acknowledgements and have their own drafted. Associated Students do also have an official Land and Labor Acknowledgement drafted that is being used for Senate Meetings.

Whereas: Associated Students will now as a precursor to all events and meetings say a Land and Labor Acknowledgement after roll call or as a part of an event opening. This includes, Executive, Senate, and ICC meetings.

Whereas: A Land and Labor Acknowledgement will display Associated Students solidarity with indigenous communities by recognizing the land we occupy and how grateful we are to have our space, along with acknowledging where it came from. The Labor portion will signify Associated Students recognition of and gratitude for the labor used in creating this country. We would not be where we are now without Black enslaved labor and the Native land we reside on.

Therefore: Be it resolved, that the A.S. Senate, the A.S. Executive Board, and the A.S. President approve the Official Land and Labor Acknowledgement.
