2. A.S. Administrative Specialist

VII. DISCUSSION & ACTION ITEMS

1. Student Court Visibility – Sophia Truggero would like to increase visibility of Student Court. She is meeting regularly with Alejandra to discuss Student Court business. There is budget available for snacks and promo items to help support more tabling and recruitment. It was decided that at the November 5 and 19th meetings this will be discussed further
2. Student Court Roles & Responsibilities – Alejandra gave a refresher and reminder of Student Court responsibilities. She explained the Constitution and eligibility for all AS officers. Attendance for AS officers is different than Student Court, allowing only 2 absences for Student Court, excused or unexcused. Student Court has always been separated from other AS due to keeping neutrality should a situation ever arise. The work that Student Court does is valued and appreciated. This year, Student Court was asked to help at New Student Welcome

- VIII. BOARD COMMUNICATION - Malak was late due to having to meet with a professor for office hours. The officers agreed they would like to meet more to get to know each other. The issue of 'serial meetings' was explained, and how they are not allowed to meet without an advisor, etc. Alejandra agreed she will try to plan something on the alternate days that they don't regular meet for some team bonding.
