- B. Senators shall read and score application packets
- C. Senators shall interview candidates in random order and score them based on performance.
- D. Senators may establish a minimum score requirement to be appointed only before the score results are revealed. No candidate who scores below this threshold may be appointed, the outcome of which (i.e., vacancies in the Senate) can be reversed only by a 2/3 vote of the Senate during the appointment session.
- E. Candidate ranking results based on total scores will serve as the official vote of the Senate. Based on availability of Senate positions, top candidates will be offered their top choice positions in the order listed on their applications. No further Senate deliberation, except that which meets extraordinary criteria (see below), may follow.

The following scenarios address causes for further deliberation during the A.S. Senate appointment process:

- A. In the event that a candidate rejects an appointment for a particular position, the next highest scoring candidate (must meet minimum score requirements, if any) who has indicated the position as a top choice, or is otherwise interested in the position, will be offered the appointment.

- B. If a candidate's rank merits an appointment (candidate receives a qualifying score and meets minimum score requirements, if any), but that candidate's choice positions are unavailable, the sitting senators may vote by majority to appoint that individual to a Senate position that is still available.
- C. Executive Board may veto a particular Senator appointment by a majority vote. This, in turn, may be overruled by a two-thirds vote in the Senate.

VIII. INTERIM SENATORS

In case the Senate finds the need to fill empty Senate positions, the Senate Chairs can submit a recommendation for interim-Senate Officer for the remainder of the semester.

- A. Recommendation will be announced and placed on the next agenda, with the 4th week being the last week to submit nominations
- B. Senate will vote on the interim-Senator nomination, a majority vote needed to pass (by the fifth week)
- C. Ratification will occur during Executive Board
