

Inter-Club Council Minutes

Date: October 6th, 2025 | Time: 1:00-2:00 p.m. | Location: 410-2020

a) CALL TO ORDER — *Meeting called to order at 1:03 pm*

b) FLAG SALUTE

c) LAND ACKNOWLEDGEMENT

Mt. San Antonio College acknowledges and recognizes that the land in which we occupy is the unceded ancestral territory of the Gabrielino-Shoshone, Gabrielino-Tongva, and Gabrielino-Kizh nations, the Indigenous peoples of this region since time immemorial. Mt. San Antonio College is located near the Gabrielino village of Pemookangna, known today as the city of Walnut.

We recognize the Gabrielino people have suffered an immense loss of their people, culture, lands, water, and other natural resources due to the theft, murder, kidnapping, and enslavement. These injustices started with colonization, and most Indigenous people consider colonization a current and ongoing process.

Despite the atrocities and injustices committed against the original caretakers of this land, the Gabrielino remain to be a thriving community and continue to practice their traditions, heritage, sovereignty, self-determination, and spiritual relationship to their land. The nations that make up the Gabrielino community continue to work to protect their sacred ways and homelands for future generations. Their descendants are a testament to the resilience and strength of the indigenous peoples that call this land their ancestral home.

The Gabrielino view this land as a source of healing, nourishment, and protection. As students, faculty, staff, and alumni of Mt. San Antonio College, we honor the Gabrielino people by acknowledging their legacy and current lived experiences. We recognize this land acknowledgement as an opportunity for Mt. SAC to advocate for Indigenous students through support of the First Peoples Native Center and continued learning and shared knowledge for Native American and Indigenous peoples.
